

Coronation Cookie Competition

We are all looking forward to celebrating the King's coronation in May!

To mark this special occasion, we are launching our very own Coronation Cookie Competition alongside our fantastic kitchen team at school. Ten of the children's designs will be chosen to compete in making their cookies in school under the support and guidance of the kitchen team. Once all ten cookies have been made and decorated, the rest of the school will cast their votes to find the best cookie. The winning design will also receive a special prize!

You are all invited to take part in this special competition! Take a look at the entry details to be in with a chance of winning:

- Using the template provided, design your very own coronation cookie. You will need to label clearly and neatly all the aspects of your cookie, especially the decoration so that the kitchen team can visualise how it could be decorated and what ingredients could be used to create it. Think about the special occasion and how this could feature in your design,

Entry rules:

- Hand in your named template entry to your class teacher by Wednesday 26th April at the very latest.
- Each entry must contain the full list of recipe ingredients - your recipe must not contain nuts.
- All design entries must be completed in colour.

We are all really looking forward to seeing all of your wonderful cookie designs!

Mrs Graves and the Kitchen team

A decorative border surrounds the entire page, consisting of a repeating pattern of blue, pink, and orange balloons tied with black streamers.
