Headmistress's Message

Dear Parents

It is always lovely to look back on all the achievements, memories and special events held in school. This has been another busy half term with staff preparing our children for their class assemblies, summer concerts, sporting fixtures, internal assessments and of course the big End of Year Production.

I want to thank the teachers for their continued commitment to making Coopersale Hall School an excellent environment for our children to have a well-rounded experience. I love watching our children skip and run into school because they enjoy being here.

May I please encourage all families to share their children's achievements outside of school with us? It is lovely to receive emails from you to share the good news with our school community.

With kind regards

Miss Barnard

Year 5N Toy Sale

Year 5N have been considering ways in which they could help towards a charity event. After much debate and voting, the charity selected to fund-raise for was the "Turkey and Syria Earthquake Appeal." The children decided they would hold a toy sale at School. They created posters with all the details and went around all the classes to ask whether they could kindly display these in their rooms.

Year 5 took time to explain to the children that they were asking for everyone to donate their much-loved toys that they no longer needed. The donations could be brought into school no later than Friday 9 June and be left in the Year 5N classroom.

The Toy Sale will run from Monday 26 June - Thursday 29 June - over 4 days. It will be held in the Courtyard, at the beginning and end of each day. Once the children had distributed their posters they were delighted to share some of the excellent questions that they were asked.

Question: "Will there be enough for the whole school?"

Evie/Simran We do hope so, we have already had some lovely and varied donations.

Question: "Are cuddly toys a good thing to bring in?"

Tommy Yes, if you no longer enjoy playing with them, then it would be lovely for the toy to go to a new home where they will be cuddled a lot.

Question: "What will be prices be?"

Isla We have not sorted that out yet, but we will ensure that there will be prices to suit everyone. We will also have a lucky dip, so something for all the children.

Congratulations Grayson

Grayson in Reception shared some wonderful writing with Miss Barnard recently. All of the Reception children visited the Enchanted Woodland in Epping Forest to learn more about bugs! Grayson wrote a very detailed account of his trip.

Well done Grayson.

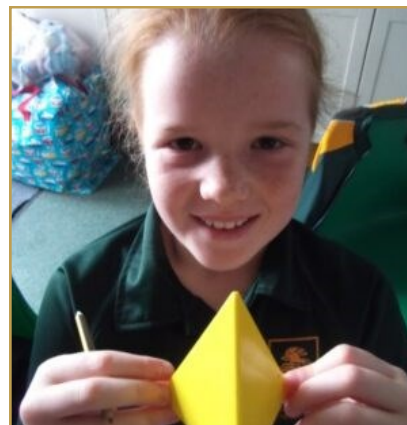

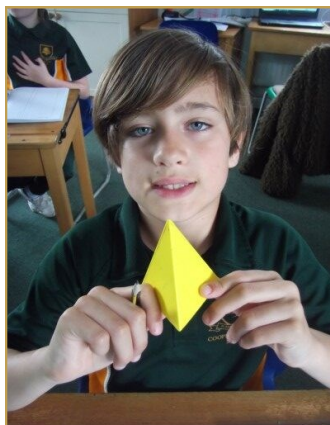

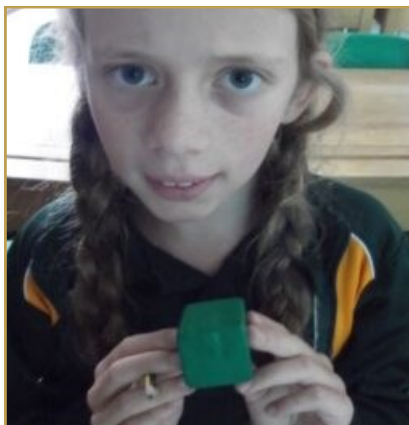

Reception Trip to FSC Epping Forest - Enchanted Woodlands

The Reception children enjoyed a day out for their school trip at FSC Epping Forest - Enchanted Woodlands activities. The children enjoyed making fairy houses, clay faces on trees, bug hunts, making fairy potions with things in nature, tree rubbing and lots more.

Year 5 Learn About 3D Shapes

Some of Year 5 have been looking at 3D shapes. They each were given a shape and had to find out how many faces, vertices and edges each shape had. Everyone enjoyed this interactive lesson as it really cemented their knowledge and understanding of maths terminology. The children were very enthusiastic and were not fooled with shapes that have no edges or vertices in their construction and they clearly identified the shape with an apex.

An Incredible Gilwell Residential

Year 5 pupils thoroughly enjoyed their Gilwell residential. They got up to so many activities in the few days they were there, and had so much fun making memories together. The children have written a thank you card to their Team Leader Joao, and also gave him some feedback on the activities and instructors.

Simran 5N

I really enjoyed Gilwell Park because all the activities were fun. I liked Cande because she was kind and firm. She also told me not to be scared when I jumped. She was also encouraging. My favourite activities were archery and leap of faith. I like archery because the instructor made the lesson fun and told us the techniques of how to do it. With this in mind I managed to get two bullseyes. I like the leap of faith because I like heights and climbing. I would also like to say thank you to Joao for looking after us.

Defne 5G

I really enjoyed archery and I think the instructor Luna was good fun. I think it was one of my favourite activities. Another that I really enjoyed was team building. But I have to say that my all-time favourite activity was the tomahawk throwing. I think you had to be really strong to do it. My favourite instructor was Luna who was the teacher for archery also Gharde was very good too. Thank you also, Joao.

General Comments from the Teachers:

There was a lot of learning and children overcame different challenges over the week. Our focus was team building and communication skills. We were delighted with how polite the children behaved and how they were willing to engage in all the various activities that they had the opportunity of doing whilst at the lodge. Our team leader, Joao, fed back to us that the instructors enjoyed working with our children and staff. Thank you to all the encouragement from our parents.

Comments from a Parent:

Thank you very much for an excellent week! Our child had the best time ever. I asked what her favourite activity was, when she finished telling me I realised she had covered all the activities!

Thank you for looking after them. She has some wonderful memories of her teachers and being with her friends at Gilwell.

Year 1 Take Us On An Ocean Adventure

Over the last couple of weeks Year 1 have been delighted to share their assemblies with their families and children within the school. Both classes have taken us to an undersea setting and were inspired by a story book. 1C used "Little Tiddler" and 1H used "Sharing a Shell" to convey their important message.

Little Tiddler – The only big thing about Little Tiddler is his imagination, each day he dreams up a new tale to explain his lateness at school. The other students don't believe him, but Little Johnny Dory loves Tiddler's stories and passes them on to his granny, who then tells them to her friends.

One day Little Tiddler has a real adventure and actually gets lost in the big ocean until he overhears a familiar story of the exploits of a fish named Tiddler. He follows his own story until he finds himself back in familiar waters and makes it back to school. His classmates don't believe his tale—of course they don't! Little Tiddler is the FISH WHO CRIED WOLF – but Little Johnny Dory believes him!

Sharing A Shell – A tiny hermit crab finds his very own shell. He doesn't like sharing it, but some funny looking sea creatures convince him otherwise. The anemone and the bristle worm work together with the hermit crab to make the shell the best possible place to live.

However, things soon get too crowded and this leads to unhappy feelings.

This story highlights the important role that sharing plays in building lasting friendships, working as a team to make your world run smoothly, and with every member in a team co-operating and using all their individual strengths.

Both classes brought their undersea world to life with their lovely acting, glorious songs and fantastic costumes which gave all the fish real personality. Each assembly closed with a school prayer which asked everyone to look after this eco-system and not to pollute the oceans with plastic and waste:

Thank you for our families and friends who are with us today. Thank you for all the wonderful sea creatures that live in our oceans. Thank you for teaching us how to look after them and not to throw litter on our seas and on the beach.

Amen.

Bee The Hero

World Bee Day was held on the 20 May and the children at Coopersale Hall were challenged to take part in the Bee Creative Challenge competition held by Chartwells and the Eco-Council who joined together to ask everyone to create an epic poster all about supporting and saving the bumble bees.

The children learnt about the importance of bees in contributing to our eco-system. Inspired by the hard work bees do to pollinate the plants that give us food to eat, the children got to work on making informative and eye-catching posters.

The Eco-Council and Chef Vicky had a difficult time choosing from all of the wonderful entries, narrowing it down to the most creative from each class then selecting the winner. This was proudly announced by Chef Vicky and Amelia in 6B, Head of Eco-Council, in our Friday Celebration Assembly.

A massive well done to everyone who took part and a special congratulations to Georgina in 5N for coming in first place! Her bee-themed prize of a t-shirt and pin badge will be on its way to her very soon.

A selection of the many fabulous entries have been displayed in the hall for everyone to enjoy.

Thank you for your Book Donations!

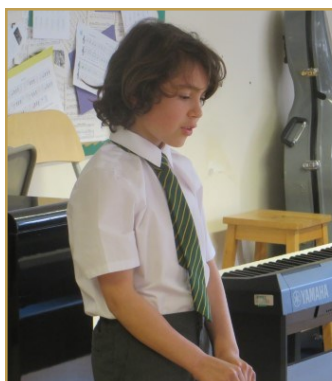

Year 1 Enjoy A Day At The Seaside

Year 1 had a wonderful sunny trip to Southend as part of their Seaside topic.

They saw lots of wonderful sea creatures at the Sealife Centre, including fish, seahorses, and even penguins! The children then spent time on the beach finding shells, there were so many different shapes and patterns, it was hard to choose a favourite. They even found some crabs on the beach, which they enjoyed watching scuttle along the sand.

Henry especially loved the sharks in the shark tunnel and Heidi liked the baby lobsters. Beau made a wonderful shell sandcastle.

It was a lovely day out in the sunshine!

Summer Series 4

Thursday 18 May saw number 4 in our summer series. This was a special concert because we were lucky enough to have our singing teacher Mrs Hadyipanayi join us. Mrs Hadyipanayi has been working very hard with her students and we were treated to an excellent afternoon of singing. We had songs from lots of genres, including 80s pop! The pupils really engaged their audience with the catchy melodies and great presentation.

Margaux provided us with a beautiful piano solo in between the songs. Her older sister Florence also played piano, performing the difficult "Morning" from the Peer Gynt suite with great skill, style and sensitivity.

The concert ended with all of the singers performing a fantastic version of "Reach for the Stars", a great hit with the audience. Still more to come in our Summer Series, a great opportunity for all our talented pupils to shine.

ISA Athletics 2023

On Monday 22 May, children from Years 4 to 6 went to an Athletics competition in Bedford. They competed in a range of activities and tried our best in each one, working hard for the majority of the day. There were many running events, jumping activities and throwing challenges. They did well in the relay, as the Year 4 boys made the finals. The 600 metres also went well for the Year 4's. Daniel in 6B came 2nd in the High Jump and Richard in 4H made the 60 metres sprint final.

We may not have won anything but we did well, played hard and had fun.

By Francesca in 6B

Gymnastics Success

We were delighted to learn that Poppy and Emilia took part in a tumbling competition at Beckenham, representing the Epping Gymnastics Advanced Recreational team and Epping Gymnastics Squad team respectively.

It was a long 8-hour day with lots of healthy competition. Both Poppy and Emilia were thrilled to bring home a medal, with Poppy obtaining silver and Emilia the gold in their categories.

Poppy 5N "This was an amazing experience for my first ever competition. I really enjoyed it and I hope to do more gymnastics competitions in the future."

Emilia 4G "I thought I was in the Olympics! I was so surprised when I got first place and really proud. I was determined not to give up and I am so pleased with the final results."

Mr Barham was extremely proud of both girls and awarded them 20 house points each for this wonderful achievement.

Oak-Tree Tennis Tournament 2023

Coopersale pupils travelled to Chingford School of Tennis for the annual Oak-Tree Tennis Tournament on Friday 26 May. It was a beautiful sunny day and the children were filled with excitement, ready for a competitive, but fun, morning of tennis.

Each pupil had 3 singles matches and 3 doubles matches to play, in order to score valuable points for their school. It was great to see each school win a separate age group competition, showing the talent we have across the 4 schools.

Well done to the Coopersale Hall team for giving it their all and making the school proud!

The Final Summer Series Concert Of The Year

Our audience was treated to performances on flute, clarinet, piano, drum kit and voice. Everyone had lovely relaxing classics, great rock anthems, folk tunes, show tunes and up beat pop. The Summer Series has been a great way to give all our pupils the chance to perform and it has been wonderful to watch and listen to them, seeing them grow in confidence and sharing their talents.

Thank you to everyone who helps our pupils on their musical journeys.

Lower & Upper Kindergarten Beautiful Butterfly Release

Following on from the chicks that hatched earlier this term, the butterflies finally emerged and the children took them out into the sunshine to release them so that they could fly away. The butterflies were incredibly friendly and did not want to leave, the children were very pleased that some even stayed on their hands to say goodbye. The children will be looking out to see if any of the butterflies reach their gardens at home. Thank you to FOCHS for providing the caterpillars initially for this fun experience!

Year 6 Inspire The School To Get Reading

Year 6 presented a very well thought out, interesting assembly to the whole school about reading. They talked about how it is something that we all do – something that gives us many different types of skills and strengths, something that allows us to be whomever we want to be, go to places we have never been before in an instant, and do incredible things that we would never believe that we would be able to do!

Year 6 talked about how not only is it an enjoyable thing to settle down and do in your free time, but it is also something we do every day without thinking about it. We read the name of the cereal on the box in the morning, we read the text messages from our friends and read our timetable on the board to see what our next class is.

The brain is like a muscle that needs regular exercise, just like your triceps and biceps. Reading is also a wonderful way to relax your mind at the end of the day. Great books teach you some valuable lessons and can change the way you think and do things in the real world.

A book is a device that can ignite the imagination and allows you to understand how you are feeling, expand your mind to help you find the right words when writing school work and is a wonderful way in which to share your thoughts and ideas with your family.

Keep reading Coopersale Hall!

Goodbye Mrs Knowles

After 21 years at Coopersale Hall School Mrs Knowles is making the move to Northumberland to be with her daughter and walk her dogs in the mountains. It has been wonderful to have Mrs. Knowles in our classes and she has been an asset to all classes from Kindergarten to Year 6. Mrs. Knowles has a really broad general knowledge and has helped to make lessons more interesting for all the children. Pupils have also loved reading with Mrs. Knowles as she has a super reading voice and always makes reading sessions fun.

This morning, during our assembly, the whole school met to wish Mrs. Knowles well on her new adventure.

You will be missed Mrs. Knowles, thank you so much for support and having such a wonderful shoulder for us to lean on!

Peter Pan – A Magical Evening in Neverland

Last Friday, pupils in Years 4-6 put on an INCREDIBLE performance of Peter Pan. It was an all-singing, all-dancing performance, with impressive acting throughout. A huge well done to the cast, who put in hours of rehearsals, with some pupils overcoming their nerves about getting on stage in front of an audience.

The story of Peter Pan has the running theme of growing up, which we believed was a fitting way for our class of Year 6 pupils to end the year.

The costumes, set, lighting, and sounds were also fantastic, and really added to the atmosphere. Well done to everyone who was involved in the production. It really was an evening to remember.

Year 5 Get Their First Taste of Life at Secondary School

The transition from primary to secondary school can be a very daunting prospect for children and can affect their sense of belonging, be disruptive to their self-esteem, confidence, and also to their friendship groups. A taster session provides the children with an opportunity to become familiar with a secondary school environment and also feel less intimidated by the prospect of being a new pupil once again.

Y5 had the opportunity of going to Brentwood School to experience their taster day. After an introduction from the Head of Staff, all the schools that had been invited were escorted to the classrooms of their selected lessons.

We were thrilled to learn that we would be having a Chemistry and French taster lessons. In Chemistry the children made a giant bubble machine and then went outside to see how successful they were. During French the children introduced themselves, their ages and discovered what pets everyone had, all in French of course.

These are a selection of responses from our Y5 expressing how they felt after their visit:

Sophie 5G – Everyone was kind. It was a very big school which I liked. It was also fun.

Georgie 5N – It was a wonderful experience and I would like to go there. I had an amazing day and everyone there was very kind. (Complements to the Chef!).

Abigail 5G – I loved the food. The lunch hall was spectacular. I also loved the lessons.

Blaise 5N – I really enjoyed the chemistry because it made me feel like a mad scientist. The lab was incredible.

Skye 5G – I loved the chemistry and French teachers, they were very kind and helpful.

Evie 5N – I loved the lunch and it was lovely to have such a nice choice. The Chemistry was so much fun, even though I didn't make a bubble. I would love to go there. In the French class I learnt a lot of new things.

Oscar 5G – I loved all the lessons and the layout of the school was amazing. The lunch was lovely.

Poppy 5N – Brentwood was amazing. Everyone was so welcoming and the teachers made the lessons fun.

The children had a wonderful time and really enjoyed their experience. Mrs Newbigging and Mrs Graves were proud at how well the children engaged with the lessons and also the good questions that they asked and answered.

Pupil Spotlight - Jessica Year 3

Miss Barnard was delighted to share with Mr Barham how a parent had written to her to convey how he had inspired her daughter with all his positive encouragement.

Jessica in 3C had stopped participating in gymnastics during covid, but after a conversation with Mr Barham and all his enthusiasm, Jessica started back up again! He has reignited Jessica's passion for sports this year and she has gone from strength to strength and loved every bit of it.

The levels in her club (Redbridge Lions) start from 8 and work up to level 1, they are the same challenges across all age groups - then pupils work on bronze, silver and gold challenges. She only started with them as a new joiner 5-6 months ago... - Jessica achieved all the criteria in 2 grading last week so has moved up two levels in one week! After a 3 year break from gymnastics and a new joiner to this club she's working at level 2 already - thanks to Mr Barham!

She's just started football with Loughton, and will train with them through the summer and be on their team in September and she has also had many 1:1 tennis lessons. She is doing 6 hours minimum out of school sports now, 4 hours minimum is just on gymnastics!

When we ask Jessica what she enjoyed the most, she replied:

"I actually like gymnastics the same as football. What I really do like is that gymnastics teaches you to express yourself through the movements that we are shown. I feel happy that the squad that I am learning with are really nice and we are very supportive of one another.

I am a defender in the football team and I enjoy this position. We have to work as a team, communicate with each other and help the goal keeper with defending our goal! Whatever the score at the end I am reminded by my mother that it is important that I have had fun and I agree and I definitely do."

Mr Barham was very touched by what Jessica had said, and awarded her 20 house points for all her dedication to sports and the amount of time she was spending with her sports activities. We will definitely be delighted to learn what tournaments and events Jessica will participate with in the future.

Year 3 Assembly

Year 3 performed a fantastic assembly on the Ancient Greeks which included a Greek dance, songs and many amazing actors.

The children conquered their fears of performing in front of an audience and put on a fantastic show!

Sophie said: "I wish we could do that play 1000 times more because IT WAS SO FUN!!!"

Year 4 Creative Arts Sharing Session

Year 4 gathered in the hall to share with their families some of the things they have been learning in their Creative Arts lessons.

The Year 4s have been learning ukulele, working on small scripts and practising songs for the school production of "Peter Pan". Some of the pupils also shared pieces they have been working on in their instrumental lessons.

It was a great afternoon, starting with all Year 4 playing "The EBGBs" on ukulele, we then had guitar, piano and violin solos, an alternative ending to Goldilocks and a moral tale about keeping tidy. A short pirate play, followed by a sneak preview of one of the Peter Pan songs, "The pirates of the sea", ended a really great sharing session. Well done Year 4."

Sports Day Practise In Lower Kindergarten

The children in Lower Kindergarten have enjoyed being outside practising for Sports Day. They can't wait to take part in the events!

Well done children.

Year 4 Visit Harlow Outdoor Pursuits Centre

Year 4 took a trip to Harlow Outdoor Pursuits! They enjoyed kayaking and rock climbing. They were challenged in the kayaks whereby they had to have the courage to stand up and balance on the water and even try and do a hand stand on the water. Lots of children enjoyed getting soaking wet and learning a new skill. They pushed through their nerves when rock climbing and managed to abseil back down the rock wall. It was lovely to see the children enjoy such a physical adventure. Well done year 4!

Year 3 Take A Trip To Ancient Greece

The children had a wonderful day on the trip to the British Museum recently, visiting as part of their history topic on Ancient Greece. During their visit, they attended a workshop where they examined many ancient artefacts. The workshop was amazing, very interactive and fun.

The children were delighted and said:

Abigail 3B "We learnt a lot about ancient Greeks. Ian the workshop leader was great.

Once the workshop was completed the children went to a Greek restaurant and had Greek food just like the Ancient Greeks. It was delicious!"

Everyone enjoyed the food and gave the restaurant a five star review. Lilly in 3B agreed saying that her halloumi wrap was "definitely worth the wait."

Margaux and Marnie in 3C said "it was an exciting day and we really enjoyed everything about what we saw, learnt and ate."

It was a great day out in London and the children returned very tired with full bellies. Mrs Burgess and Miss Curl were delighted with how well the children listened and asked very interesting questions during the workshop. They were thrilled at how well behaved and well-mannered the children were at the restaurant. Well done year 3!

A Message From Our New Head of Seniors

Mrs Ann Robinson-Smith

"I am extremely honoured to be joining Coopersale Hall School at this exciting point in its development. The inclusion of the Seniors has been a long-term ambition for the school and will now allow pupils to stay with us from the age of 3 to 16 years old.

As Head of Seniors, I look forward to upholding the school's reputation for academic and pastoral excellence. I bring to this position 22 years of teaching experience within a variety of school settings in Northern Ireland and England. For the majority of that time I have worked within the Epping Forest community so I know the area and the people well. I am first and foremost a Religious Studies teacher, but throughout my career I have also taught English, Geography, History and PSHE. I have held a range of leadership responsibilities including Head of 6th Form, Head of Subject and Lead Practitioner. Most recently my role as an Assistant Head Teacher saw me lead on staff

development, PSHE/RSE across the curriculum and whole school teaching and learning.

My vision for the Seniors here at Coopersale Hall is 'journeying together towards success.' I strongly believe that it takes a strong home-school partnership to bring out the very best in a child; to nurture their talent, to encourage them to be the best version of themselves that they can and to praise them for each small step towards their goals. I very much look forward to meeting you all in the coming weeks and building positive relationships with our pupils, parents and carers."

Senior Uniform

We have worked with Forest Casualwear to make some changes to the senior uniform to reflect the older age range of the pupils.

We are introducing a 'trouser' uniform and a 'skirt' uniform. Both are modelled below by two of next year's Year 7 pupils. We are sure you will agree that they look very grown up!

The uniform lists are currently being finalised and will be published on our website very soon.

Pupil Spotlight – Rocco Year 2

We are proud that Rocco in 2B has been asked to represent Finta Futsal Elite Futsal Team in ASB Barcelona Tournament in Spain.

We asked Rocco how he was feeling about being a part of this tournament and he said “I am excited about going to Spain and playing in the tournament. I do a lot of football training for two different teams and also Finta Futsal.

I had been scouted by Finta Futsal and played with their team once a week and now I have been selected to be part of this team playing in the tournament. The position I play is left wing. I think it will be amazing.”

What are the differences between Futsal and Football?

Futsal is 5 a side whereas Football is 11 players.

Futsal is also usually played indoors on a much harder surface and with a heavier ball that is smaller and less bouncy.

The size of a Futsal pitch is 40m by 20m, making for a longer, thinner playing space.

The benefits of Futsal is that it forces players to develop a high level of technical proficiency due to the tight space and fast-paced nature of the game. Players must be able to control the ball in a small space, under pressure from opponents and make quick decisions about where to pass or shoot the ball.

This translates well to traditional football, where players often find themselves in similar situations on the field but with more time and space!

Mr Barham was delighted to learn of this wonderful opportunity and awarded Rocco 20 House points for being resilient and putting in so much effort and hard work. We wish Rocco and his team a wonderful tournament and look forward to hearing his news upon his return.

Having Fun in Upper Kindergarten

Upper Kindergarten Thomas enjoyed having some fun in the school grounds. The children had some fun on the adventure playground, made tents and potions, enjoyed bubble blowing and created art on the trees while dressed in their finery.

Getting Social

Click the images to visit our social media sites.

FoCHS Update

Events

Summer Fest 2023

We cannot wait for this year's Summer Fest on **Friday 7 July**. With exciting games, inflatables and stalls, we hope that this will be a fun-filled day for the all the family. As well as a bar, ice cream and sweet stalls, this year we have also invited Shaws of Chingford to come along and cook a delicious BBQ for us.

We will be selling Summer Fest wristbands in advance at school and on the day. Pay as you go options will also be available. Please keep an eye out for further details shortly.

We would very much appreciate any extra hands on the day, to help with setting up and also manning the stalls. If you are able to volunteer, please speak to your class rep (shown below) or let the school office know as soon as possible. Thank you!

Beautiful Butterflies

Kindergarten have had a wonderful time watching their caterpillars grow in their classrooms and then transform into beautiful butterflies. When it was time to release them, the children enjoyed a special afternoon in the grounds of school, excited to see the butterflies set off on their adventures!

Second-Hand Uniform

Purchasing second-hand uniform is one more way that we can all do our bit to help the environment and reduce waste, so we really appreciate your support.

Our order form can be downloaded from the school website: <https://www.coopersalehallschool.co.uk/cooper-content/uploads/2022/02/CHS-Second-Hand-Uniform-Order-Form.pdf>

If you wish to place an order, please hand in your completed form to the school office and we will let you know if the items requested are available. Please do not email any order forms to us. Once your order is confirmed, payment should be made to us electronically using the details on the form.

Our price list can also be found on the school website: <https://www.coopersalehallschool.co.uk/cooper-content/uploads/2022/02/CHS-Second-Hand-Uniform-Price-List.pdf>

We also very much appreciate any donations of good quality, school-branded uniform. Please leave it with the school office and one of our volunteers will collect it. If you have any queries, please speak to your class rep.

FoCHS Update

Easyfundraising

Sign up to Easyfundraising and you can make a donation to FoCHS every time you shop online, at no extra charge. Hundreds of retailers make donations and it is simple to sign up: <https://www.easyfundraising.org.uk/causes/fochs>

Get in touch

If you are interested in getting involved this year, have some ideas, or if you simply have a question, we would very much like to hear from you. Here's how you can get in touch:

Each year group has at least one FoCHS rep. The easiest way to get in touch is to message your year or class rep on WhatsApp:

LK – TBC

UK - Susan Tetherton;

Reception – Stacey Cummins;

Yr 1 – Nickie Futter;

Yr 2 – Rachel Concadoro;

Yr 3 – Nicola Wiley and Victoria Moyses;

Yr 4 – Rachel Concadoro;

Yr 5 – Sarah Cook;

Yr 6 – Nickie Futter and Jess Lancaster

You can also email us at FoCHS@coopersalehallschool.co.uk or speak to any members of the Committee:

Susan Tetherton (Chair)

Victoria Moyses (Treasurer)

Nickie Futter (Secretary)

Sarah Shirley

Sarah Cook

Louisa Richards

Stacey Cummins

Jagdeep Chahil

Julia Fahri

Christie Demetriou

You can also check out our page on the school website: <https://www.coopersalehallschool.co.uk/parents-pupils/parents-association/>
